

Core Products Review Mini-Seminar

Presented by

Jerry Linnenkohl, President, SPNW

Gain a better understanding of how to use Standard Process® products! Learn about our Top Products that can help you build your nutritional foundation and jumpstart your journey of creating a successful health care practice. This seminar is excellent for new accounts and accounts that have not developed a solid nutrition foundation in their clinic.

Essential Supplements for Every Clinic

- ◆ Identifying key concepts behind our top-selling multivitamin, calcium, essential fatty acid, digestion and immune support supplements
- ◆ Determining factors to identify what supplements will support patients best

Why Whole Food Nutrition

- ◆ Standard Process® and MediHerb® quality control of ingredients and manufacturing
