January 2012

## Standard Process 21-Day Purification Program

Happy New Year! A perfect time to transform your life and your patients!

Standard Process® understands how hectic our lives are, so they've designed a **21-Day Purification Program** to fit your schedule and make it easy for you and your patients to succeed. Much of the program centers on what you eat. Your diet will include Standard Process supplements and whole foods that contain vitamins, minerals, and other nutrients to support all the major organ systems during purification. [Continue »](#)

## Good Nutrition is only an SP Complete® Shake Away.

How about a Strawberry Twist, Citrus Berry Splash or a Banana Berry Blast? Making healthy supplement shakes is easy and convenient with SP Complete or SP Complete Dairy Free. SP Complete, made with whey, and SP Complete Dairy Free, made with rice. Also, available in single serving packets. [Continue »](#)

## FREE\* BlenderBottle Included with a Purchase of Two Purification Product Kits.

To receive your free\* BlenderBottle, make a single purchase of two Purification Product Kits (12010, 12020, 12035, 12040) on our webstore at [www.standardprocessnw.com](http://www.standardprocessnw.com) from January 1, 2012 until January 31, 2012. Use promotional code **PBBWB** when ordering (enter the promotional code in the online shopping cart).\*

\*Offer good while supply last. Offer only good from Jan. 1 - 31, 2012 and only available for Webstore purchases at [www.standardprocessnw.com](http://www.standardprocessnw.com) and does not apply to purchases made by phone, fax, email or on drop shipment orders. Limit 10 BlenderBottles per HCP account during the promotional period. Kits must be purchased on a single order to be eligible.

## Additional Supplements

**Calamari Omega-3 Liquid** clean, understated citrus taste, perfect to add to your nutritional shake, salad dressings, or other foods if desired. [Continue »](#)

**ProSynbiotic** a synergistic blend of 4 research-supported probiotic strains and 2 prebiotic fibers to promote gut flora and overall intestinal health. [Continue »](#)

**Whey Pro Complete** is manufactured from cows that have not been given hormones (rBGH free) and contains a proprietary blend of ingredients to support your nutritional needs. [Continue »](#)

**Tuna Omega-3 Oil** and **Tuna Omega-3 Chewable** are great ways to obtain your daily requirement of omega-3 essential fatty acids. [Continue »](#)

**Gymnema 4g** from MediHerb supports sugar metabolism and sustained energy. [Continue »](#)

## Who Can I ask?

Your Standard Process NW sales representative can help you implement this **21-Day Purification Program** and supply you with all of the marketing materials, purification class CDs and more. [Contact Info »](#)
